BRITISH ASSOCIATION for the ADVANCEMENT of SCIENCE, 22, Albemarle-street, London, W.

THE NEXT ANNUAL GENERAL MEETING will be held at SWANSEA, commencing on WEDNESDAY, AUGUST 25.

President-Elect—
ANDREW CROMBIE RAMSAY, Esq., LL.D., F.R.S., V.P.G.S.,
Director-General of the Geological Survey of the United Kingdom and of the Museum of Practical Geology.

NOTICE to CONTRIBUTORS of MEMOIRS.—Authors are reminded that, under an arrangement dating from 1871, the acceptance of Memoirs, and the days on which they are to be read, are now, as far as possible, determined by Organising Committees for the several Sections before the beginning of the Meeting. It has therefore become necessary, in order to give an opportunity to the Committees of doing justice to the several Communications, that each Author should prepare an Abstract of his Memoir, of a length suitable for insertion in the published Transactions of the Association, and the Council request that he will send it, together with the original Memoir, by book-post, on or before July 24, addressed thus:—"General Secretaries, British Association, 22, Albemarle-street, London, W. For Section". Authors who comply with this request, and whose Papers are accepted, will be furnished before the Meeting with printed copies of their Reports or Abstracts. If it should be inconvenient to the Author that his Paper should be read on any particular day, he is requested to send information thereof to the SECRETARIES in a separate note.

Reports on the Progress of Science, and of Researches entrusted to individuals or Committees, must be forwarded to the ASSISTANT-SECRETARY, for presentation to the Organising Committees, accompanied by a statement whether the Author will be present at the Annual Meeting.
No Report, Paper, or Abstract can be inserted in the Report of the Association unless it is in the Assistant-Secretary's hands before the conclusion of the Meeting.
J. E. H. GORDON, Assistant-Secretary.

NOTICE TO AUTHORS! ROYAL COMMISSION UPON COPYRIGHT.

To meet the views expressed by the Royal Commissioners, after they had heard the evidence of the leading authors of the day (see Report dated the 24th May, 1878), Messieurs NEWMAN & CO. have adopted a new system of publication, which secures to the author a full and lasting reward for his labours.

In the case of authors desiring to retain a permanent interest in their works, Messieurs NEWMAN & CO. now send all title-pages to the author to be stamped or initialed before binding. And in their agreement Messieurs NEWMAN & CO. undertake not to sell any copy without it bears such initials or stamp; and in the event of their doing so, under their form of agreement, the copyright in, together with all property connected with, such work reverts absolutely to the author.

It will thus be seen that an author under this new system obtains a full record of the progress made by his work, and the royalties due to him.

Messieurs NEWMAN & CO. undertake the publication of approved Scientific, Educational, and Domestic Works; Poetry, Novels, and all Works of Fiction, and Children's Works.
